

CLIVIA KINGDOM PENDULOUS AND INTERSPECIFIC SEED LIST 2019

	ID Code	POD PARENT	ID Code	POLLEN PARENT	Description	Price Per Seed	Seeds per packet
PENDULOUS SPECIES							

ROBUSTA-YELLOW and RED

150	5016 Ice Giant		5001 Yellow Diamond RU BOS 2016 & 2017		Yellow Diamond was awarded Best on Show and 1st RU on three occasions. Ice Giant, huge with chubby flowers and broad leaves is a very well-known and sought-after clone.	D705Q705Q705Q705Q705Q705Q705Q705Q705	3
151	5004 AFH Yellow robusta		5016 Ice Giant		5004 was a Best on Show winner at the LCC pendulous show. Ice Giant flowered for the first time at Clivia Kingdom and is being extensively used.		3
152	5001 Yellow Diamond		5016 Ice Giant		Yellow Diamond was awarded Best on Show and 1st RU on three occasions. Ice Giant, huge with chubby flowers and broad leaves is a very well-known and sought-after clone.		3
153	5017 Best on Show		5015 Munster Pink robusta		Both are world-class robustas.		3
154	5015 Munster Pink robusta		5017 Runner Up Best on Show		Should produce some excellent light pink or bluish robustas.		3
155	5012 Gem's Casino Cream		5017 Runner Up Best on Show		Hopefully compatible to produce high flower count yellows.		3
156	5025 Pink robusta		5012 Gem's Casino Cream		Should produce some excellent light pink or bluish robustas.		4
157	5027 Mboyti robusta		5027 Mboyti robusta		Stunning red green tips.		5

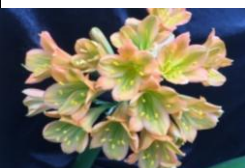

158	5033 Pastel robusta		Self			SOLD	5
159	5025 Pink robusta		5008 Pink robusta		Should produce some excellent very robust, high flower count, light pink robustas.		4
160	5032 Red robusta		5021		Nice robust reds.		5
161	5021 Chubby Bronze robusta		5027 Mboyti robusta		Lovely robust red robustas with green tips.		5

YELLOW CAULESCENS

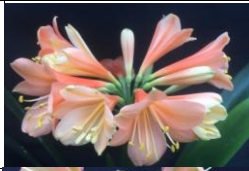

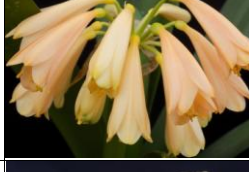

162	5043 Mp. Clone Yellow caulesc.		5049 Limpopo Clone Yellow caulesc.		High flower counts, both Mpumalanga clone and Limpopo clone produce two umbels per year and all seedlings 100% green- stemmed.	SOLD	3
163	5049 Limpopo Clone Yellow caulesc.		5043 Mp Clone Yellow caulesc.		High flower counts, both producing two umbels per year and all seedlings 100% green- stemmed.		3

Nobilis

164	5205 Cham pagne Pink Princess		5209 Yellow nobilis		Two very desirous nobilis. Seeds are all green stems	SOLD	5
165	5211 Pink nobilis		5211 Pink nobilis		An outstanding specimen. The mother plant had 83 flowers. This offset has 62. Offsets readily and sets seed incredibly well. Usually a 100% take.		3
166	5211 Pink nobilis		5209 Yellow nobilis		The seedlings of this cross will range from yellow, blush to light pink. All have green stems and one would expect a much higher flower count than cloned yellows.		3

167	5201 Fish River nobilis		Self		Bright red with high flower counts. Year after year this nobilis self pollinates.	SOLD	5
168	5202 Bush- man's River		Self		Bright red with high flower counts. Year after year this nobilis self pollinates.		5
NGOME GARDENII							
169	5085 F2 Goblin x Ngome Citrina ex Callaghan		5085 Self		One of the most magnificent gardeniis around with a very impressive flower count.	R30	5
170	5090 Brushed Bronze Green		Hirao		Few seeds but a very high expectation to produce something interesting.	SOLD	3
171	5085 F2 Goblin x Ngome Citrina ex Callaghan		CK3 Grandios		Back to miniata to open up the interspecific while retaining the very high flower count.		R40
172	5081 Goblin F1		5085 F2 Goblin x Ngome Citrina ex M Callaghan		Ngome yellows always very rewarding. Both have above average flower counts.	R40	3
173	5080 Blush gardenii		Self		Ngome yellows are always very rewarding. Both have above average flower counts.	R25	4
INTERSPECIFICS							
174	7066 Mustard				Rare colors and very scarce interspecifics.	SOLD	3
175	7004 Nimbicola B		6263 Blushing Virgin		Has produced some stunning interspecifics in the past and we are therefore repeating this cross.		R40

176	8071 Ngome Tricolor		6322 Howling Moon		Hilton Atherstone's show stopper Howling Moon should open up the Ngome Tricolor to produce something interesting.	R40	3
177	7013 Bi-color		7057 Zig Zag		Both of these interspecifics were Best on Show winners. Strikingly different.	R50	3
178	7043 Shades of Pink		Triple Seven 777		This cross had an unbelievably good take. We hope it produces equally good results.	R40	4
179	7072 Showbiz Bull fighter		6081 Crown Prince		Great expectations	R30	4
180	7072 Showbiz Bull fighter		Self		Dark red, perfect umbrella-shaped umbel and beautiful on the eye.	R25	4
181	7026 Brick Bronze		8001 Kumikazi		Most unusual brown, bronze and olive colors. Both interspecifics are breathtakingly beautiful.	R45	3
182	7056 Gangrene Swirl		7077 Brown Bombshell		Most unusual brown, bronze, turquoise and pink colors. Both interspecifics are breathtakingly beautiful.	SOLD	3
183	7003 Old Faithful		Self		Reliable good red interspecific.		R10
184	8006 Curlews Khaki		8001 Kumikazi		Most unusual khaki, brown, bronze and olive colors. Both interspecifics have green throats and are breathtakingly beautiful.	SOLD	3
185	8020 Orange Bell		6264 Hattori Picotee		Unknown Pot Pourri.		R25

186	8113 Varieg Blush x Vico		7078 Yellow Drops		The Variegated blush was bred via gardenii blush x Vico Original.	SOLD	4
187	8008 Pink Large open Flower		Mary Meeker versicolor		Pollen of this spectacular versicolor interspecific, courtesy of Mary Meeker, California, USA.		R40
188	8096 Autumn Whisper		6738 Triple Seven 777		Two unbelievably beautiful plants. Whether the siblings live up to the beauty of the mother plants only Mother Nature will know.	SOLD	
189	7089 Topaz Jewel		6264 Hattori Picotee		Pot Pourri		R35
190	8112 Yellow i/s		6264 Hattori Picotee		Pot Pourri	R35	4
191	7031 Peach I/S		6419 Peach		Again an attempt to open and flare out the peach without losing the color.	R25	4
192	8068 Yellow I/S		6322 Howling Moon		Again by using Hilton Atherstone's Howling Moon , this is an attempt to open and flare out the yellow without losing the color.	R25	4
193	8060 Flared Blush		5015 Pink robusta		Pot Pourri	R25	3
194	8055 Varieg Blush x Vico Yellow		6322 Howling Moon		This will produce some beautiful flared variegated yellows.	R30	4
195	8033 Varieg. Blush x Vico Yellow		6322 Howling Moon		This will produce some beautiful flared variegated yellows.	R30	4

196	8057 Orange Bell		6322 Howling Moon		This will produce some beautiful yellows with high flower counts	R30	4
197	8025 Salmon pastel (keeled yellow x yellow petioles)		Pink Nobilis		If the two pink colors and flower count come through , this cross will be a winner.	R35	4
198	8020 Orange Bell		Hattori Picotee		Pot Pourri	R30	3
199	8025 Salmon pastel (keeled yellow x yellow petioles)		7078 Yellow Drops		Dawie Strydom's Yellow Drops on almost anything produces a very pleasant surprise.	SOLD	4
